

The Chiefs of Kebaowek, Kitigan Zibi Anishinabeg and Mitchibikonik Inik First Nations cordially invite you to attend the following event:

STRONGER TOGETHER

PROTECT the KITCHI SIBI

Algonquin First Nations Address the Canadian Nuclear Safety Commission on the Chalk River Near Surface Disposal Facility Final Licensing Hearing

Original Artwork by Destiny Cote, Kitigan Zibi Anishinabeg

Date: August 10, 2023

Time: 9 am - Noon

Place: 50 Sussex Drive, Ottawa. This is a beautiful venue at the confluence of the Ottawa (Kitchi Sibi), Rideau and Gatineau Rivers, a sacred site for the Algonquin People

Attendance: By invitation. RSVP by August 4th to lmoore@kebaowek.ca

Importance: HIGH ~ This is the final step in the licensing process for the NSDF, the first ever proposal for permanent nuclear reactor waste disposal in Canada. A decision to license the facility would contradict UNDRIP, the United Nations Declaration on the Rights of Indigenous Peoples, and fail to meet international safety standards for radioactive waste management.
